

Poly Slim-Line – 4 Drum Spill Pallet
SKU# 5400-YE

The ENPAC Poly Slim-Line has been the most popular spill pallet since its introduction, effectively containing spills from 55-Gallon Drums for several decades. The low profile sidewall provides easy access to drums, as well as removable grates to easily clean the sump in case of a spill. It meets or exceeds all regulatory requirements and is tough enough to be an outdoor storage solution.

- Holds (4) 55-Gallon Drums
- Integrated pedestal system with 8000 lbs load capacity
- Low profile sidewall for easier dispensing and loading
- 66 Gallon Capacity meets EPA and UFC secondary containment requirements
- Removable grates for easy cleaning
- 100% polyethylene
- Hot-box tested for performance in the world’s harshest environments
- No drain
- Optional tarp available for outdoor use
