

Universal Poly-Drum Safety Funnel

SKU# 3004-YE-SF

Quickly create a collecting or disposal station with this lightweight yet durable funnel. It has a wide mouth to prevent drips, leaks, and splashes. Just set the unit on top of a drum and let the unique scallop design do all of the work. Fits open and closed-head 30-gallon and 55-gallon drums, as well as other containers.

For use with flammable liquids, the Safety Funnel has all of the same easy to use features as the standard model, but with the added bonus of a flame arrestor
