

## Q-VAC 100 Plus Scooter SKU# QVAC PLUS

**\*55-Gallon Drum Not Included**

Featuring the same great ease-of-use qualities as the standard Q-VAC™, this unit also includes an ENPAC Spill Scooter to make cleanup mobile. Take the entire vacuum system anywhere a spill occurs to remediate it quickly and efficiently.

- Works on shop air
- Requires no filters
- Fits standard closed head drums
- No moving parts to break or replace
- Liquid overflow shutoff valve automatically turns pump off
- Plastic scooter is chemically resistant
